	Infinity New Guinea Impatiens Red	Sun/Pt Shade	Bright red flowers	Annual	8-12"	A 'Proven Winner' variety whose flowers come in a wide range of colors. Attractive dark green to purple foliage adds to the show. Breathtaking in baskets, containers or borders.		
	Infinity New Guinea Impatiens White	Sun/Pt Shade	Classic white flowers	Annual	8-12"	A 'Proven Winner' variety whose flowers come in a wide range of colors. Attractive dark green to purple foliage adds to the show. Breathtaking in baskets, containers or borders.		
	Blackie Sweet Potato Vine	Sun/Pt Shade	n/a	Annual	trailing	The dark purple black, deeply lobed leaves of this vining plant are a striking accent for brightly colored plants or flowers - excellent for hanging baskets or as a window box foliage accent.		
	Margarite Sweet Potato Vine	Sun	Chartreuse leaves	Annual	trailing	This plant's attractive, glowing chartreuse foliage is highly visible without being brassy. Its graceful cascading habit makes it perfect for hanging baskets and mixed container plantings. What a beauty!		
	Snow Princess Alyssum	Sun	White flowers	Annual	12" Trail	From Proven Winners, an allysum on steroids, this is unlike an alyssum you've ever grown before. A vigorous grower, this can be grown in a hanging basket or container as well as in beds with annuals plantings.		
	Calliope Dark Red Geranium	Sun	Red flowers	Annual	12-14"	A first of its kind Interspecific (a zonal ivy cross) hybrid, with strong zonal characteristics and a stunning dark red color not possible with conventional breeding. Excellent heat tolerance, produces large blooms that resist burn		
	Black Velvet Petunia	Sun	Black flowers	Annual	Trailing	NEW for 2011 - The world's first black petunia really does look as if it is made of delicate black velvet. Use with plants of any color in the garden bed, as an edge along a border, or in a pot placed where they won't fail to capture attention.

<b>ANNUALS IN 6.5" POTS</b>								
	Supertunia Petunia Bordeaux	Sun	Soft lavender with deep plum vein	Annual	Trailing	Proven Winner' variety - Blooms all season with pink flowers highlighted by deep plum-burgundy veins; vigorous plants; fertilize often; low maintenance. Attracts hummingbirds and butterflies and looks great in combinations.		
	Supertunia Petunia Royal Velvet	Sun	Dark purple flowers	Annual	Trailing	Proven Winner' variety - You won't find flowers anywhere that are a deeper, darker or more velvety purple-blue. Also has a queenly scent that's especially noble in late afternoon and early evening. Terrific in combinations with nearly any other color.		
	Supertunia Petunia Vista Bubblegum	Sun	Bubblegum pink flowers	Annual	Trailing	Proven Winner' variety - You want to fill an area with wall-to-wall medium pink flowers all season? This is your plant. Hanging baskets, window boxes, patio containers, same story. Grows 16-24" tall and spreads way out.		
	Easy Wave Blue Petunia	Sun	Blue Flowers	Annual	6-8"	These fast growers bloom freely all season with no need for cutting back. Easy Waves are a little more mounded than the original Waves, and have a more controlled spread. Perfect for Hanging Baskets and colorful groundcovers.		
	Homestead Purple Verbena	Sun	Purple flowers	7	6-10"	This magnificent spreader is covered with intense purple flowers from spring to frost. Hardiness is touchy in this area, but for its great show of brilliant color, it is worth planting every year. One of our favorites!

<b>PERENNIALS</b>								
	Grosso Lavender	Sun	Blue flowers	5	16"	This extremely fragrant form of lavender bears fat deep violet flowers on long spikes. A heavy bloomer through the summer, it is great for attracting bees and butterflies and is prized for its valuable oil.		
	Becky Shasta Daisy	Sun	White flowers	5-9	3'	A stunning shasta that blooms longer and larger than most. Long, strong stems stay upright and clean foliage makes it ideal for cutting. This is a must for any sunny border or cottage garden.		
	Snowcap Shasta Daisy	Sun	Pure white flowers	5-9	10"-12"	A Blooms of Bressingham selection - this dwarf variety sports single long lasting white daisies in late spring and into summer. Its compact size lends itself well to the border front or to the rock garden.		
	Walker's Low Catmint (Nepeta)	Sun/Pt Shade	Lavender-blue flowers	3-8	10"	A new and compact form of catmint which forms 10in mounds of gray-green foliage covered with soft lavender-blue flowers from April through fall. Makes a great front of the border plant.		
	Goldsturm Black-eyed-Susan (Rudbeckia)	Sun/Pt Shade	Yellow daisy-like flowers	4-9	24"	One of the very best and easiest to grow perennials for garden or meadow use. Plants are completely buried in deep golden yellow daisies from July to October and will light up any spot. Make great cut flowers, too.		
	May Night Salvia	Sun	Indigo-blue flowers	3-8	18"	A staple of any sunny border, this salvia features dense spikes of deep violet-purple flowers over a long period over grey-green foliage. These ignore heat and are deer resistant too.		
	Happy Returns Daylily	Sun/Pt Shade	Lemon-yellow blooms	4-9	18"	Rapidly becoming a premier landscaping daylily because of its long season of bloom and bright yellow color. Divide established clumps every 3-5 years to promote its reblooming characteristic.

<b>SHRUBS - IN 3 GALLON POTS - SOLD INDIVIDUALLY</b>								
	Incrediball Hydrangea	Sun/Pt Shade	Massive white flowers	4	4-5'	A new and improved Hydrangea 'Annabelle' with beefy stems and massive white blooms and roughly 4 times as many flowers as 'Annabelle'. Wow!		
	Pee Wee Oakleaf Hydrangea	Sun/Pt Shade	White panicles	5	3-4'	A very desirable dwarf selection with a low mounded habit and abundant white flower heads in early to mid-summer. Great for small gardens, this also has excellent wine-red fall foliage color.		
	Pinky Winky Hydrangea	Sun/Pt Shade	Pink/white flowers	4	6-8'	An incredible hydrangea with unique, two-toned 12-16" long flower heads in mid-summer that emerge as white and turn pink. It blooms regardless of climate, soil, pH or pruning. Nice as a specimen plant or as a spectacular flowering hedge.		
	Knock Out Rose	Sun	Cherry-red flowers	5	3-4'	A true breakthrough in shrub roses, this plant provides a continuous show of color from spring to late fall. Its deep cherry-red flowers (up to 3 1/2" across) bloom on a compact, mounded bush with unsurpassed disease resistance.		
<b>TOMATO PLANTS - 4" POTS SOLD INDIVIDUALLY</b>								
	Cherry Tomato - Red	Sun				Classic bite-size red tomatoes, great on salads or eat them straight off the vine!		
	Brandywine Tomato	Sun				An Amish heirloom that dates back to 1885. Generally considered to be the world's best-flavored tomato. Good yields of up to 1 1/2 lb. Firm, clear-skinned, light rosy pink fruits.		
	Big Boy Tomato	Sun				Introduced in 1949, this hybrid tomato has remained popular for its wonderful aroma and rich flavor. Fruits average 10 ounces with some 1 pound or more. Indeterminate. 78 days		
	Early Girl Tomato	Sun				It's hard to find tasty, full-sized fruits like this extra-early in the season! Meaty, ripe, red fruits, 4 to 6 oz., are slightly flattened and bright crimson throughout. (VFF) Indeterminate.		
	Supersteak Tomato	Sun				Extra-large improved Beefsteak tomato. 2 pound fruits with smooth, meaty flesh. Indeterminate. 80 days		
<b>14" PREMIUM MIXED HANGING BASKET</b>								
	High quality Green Wire basket with Cocoa Liner	Sun				Mixed varieties (3 different annuals varieties) in each basket		
<b>14" COLOR BOWL</b>								
	Mix of annuals in terra cotta plastic bowl	Sun				Mixed varieties in each bowl
